INSTRUCTIONS:

Choose from our selection of **twelve (12) shrubs** (#1 containers), **six (6) trees** (#2 containers), and **eight (8) perennials** (quart containers). **Shrubs are priced at \$12.00 each, trees at \$22.00 each, and perennials at \$6.00 each.** Please mark your choices below, add up the number of plants in each category, multiply by per-plant price, and enter the subtotal for each plant type. In calculating the amount of your order, please note that 7% New Jersey Sales Tax must be added to the total amount of your order. **Orders must be pre-paid by check or money order payable to "U.U.C.S.J.S." (preferred method), or in cash, by the Friday, April 1, 2011 deadline.** Advance Order Form may be dropped off at the Social Justice table in the lobby of the UU Center on Sunday mornings, **OR mail your completed form with your payment to: U.U.C.S.J.S., Native Nursery-Grown Plant Sale, P.O. Box 853, Pomona, NJ 08240. Thank you for your order!**

All native plants are genetically adapted for our area and provide food in the form of nuts, seeds, berries, fruits, leaves, pollen, and nectar that best meet the needs of butterflies and other pollinators, as well as hummingbirds and other birds, and wildlife. *Please note that some plants listed below may not be available due to loss during the growing season; also, quantities may be limited for some species.* If your order cannot be filled, a full refund will be made promptly.

KEY Plants are beneficial to: B = bird, Bf = butterfly, BfHP = butterfly host plant, H = hummingbird, WL = wildlife, P = pollinator
 Additional note: (m) = needs moisture
