

# 2nd Annual PLANT SWAP & SALE

## FOR BACKYARD HABITATS

**Experienced and new gardeners alike: now is the time to begin potting up some of your extra native plants for the Unitarian Universalist Congregation's 2nd Annual Plant Swap & Sale scheduled for the second weekend in May.**

*Our purpose is to create and promote more backyard habitat in southern New Jersey by providing local gardeners with a source of inexpensive or even free plants. We'll be swapping native perennials, shrubs, and tree seedlings, as well as some non-natives that are especially beneficial to butterflies, hummingbirds, and birds.*

**BRING THREE (3) PLANTS TO COVER THE PRICE OF ADMISSION; THESE THREE PLANTS WILL BE PUT INTO THE PLANT SALE or PLANTED IN THE CENTER'S NATIVE PLANT GARDENS.**

*You'll receive a coupon for each additional plant you bring, entitling you to swap for your choice of a "new" plant — up to 10 swaps per person. Plant swappers can also purchase additional plants for \$2 each. If you don't have any plants to swap, you can still purchase up to three (3) plants for \$2 each.*

**The Swap & Sale will take place, rain or shine, at the Unitarian Universalist Center, located at 75 South Pomona Road (on the corner of Liebig Ave. and Pomona Rd., across from student apartments and parking lot at Stockton College).**

**PLANT DROP-OFF HOURS**  
Friday, May 7th – 4:30-6:30 p.m.  
Saturday, May 8th – 8:30-9:30 a.m.

*Please label your plants ahead of time.*

Please Note: Invasive plants will not be accepted.
